East Surry Senior Elected Northwest Region FBLA VP

Miss Abby Key, a senior at East Surry High School, was elected as the Northwest Region FBLA (Future Business Leaders of America) Vice-President after a successful campaign at the annual State Leadership Conference in early 2018. Miss Key is one of eight regional VPs in the state.

The Northwest Region website features Miss Key with a personal video appeal to members and outlines the goals for the for the northwest region this year. Abby has been active in FBLA for three years and has competed at the regional level, state level and in the national competition for public speaking. One of Miss Key's her major goals for the region is to increase recruitment of new members. Abby quotes John Hume on the Northwest Region website, "I never thought in terms of being a leader. I thought very simply in terms of helping people." While Abby may have shared a quote about not thinking in terms of being a leader, she exemplifies leadership qualities in all she does and has for many years.

As a result of Miss Key's office in FBLA, East Surry High School will host the Northwest Regional Competitive Events on December 1, 2018 for fourteen counties in North Carolina. Congratulations to Miss Key for representing herself, her FBLA chapter and the northwest region so well. Ms. Serena Church is the East Surry High FBLA advisor/business teacher.
