

Surry Early College High School Student Selected as Finalist for QuestBridge Scholarship

Victoria Griffin, a senior at Surry Early College High School, has been selected as a QuestBridge Scholarship finalist! The QuestBridge Scholarship is one of the top need-based scholarships in the nation. It seeks to pair students with highly competitive colleges and universities across the country, providing substantial financial aid and opportunities for students attending a given "match" university. The finalist stage of this process means that Victoria was selected based on academic achievement and other criteria. She'll wait to hear back on December 1st to see if she is matched with one of the colleges or universities she has ranked and applied to. The faculty and staff at Surry Early College High School are very proud of Victoria for becoming a finalist for this scholarship.
