

## Meadowview Middle School Magnet

Meadowview Magnet Middle School is a STEM-themed magnet school offered as a middle school option for students within Surry County. Application and random selection are used to select and admit students.

Meadowview Magnet Middle School is open to all middle school students throughout Surry County. Preference is given to students who are making good academic progress and have good attendance and disciplinary records to-date. If more applications are received than there are open slots, student selection will be completed through a lottery process.

All students wishing to attend the magnet school who do not live within the residential zone of Meadowview will complete the following application. The application will need to be returned to Mr. Matt Scott, Assistant Principal/Recruitment Coordinator of Meadowview Magnet, by April 29, 2019.

Students will be notified no later than April 30, 2019 of selection. If a lottery selection is required, students may be placed on a waitlist. Waitlisted students will be notified if slots become available no later than August 1, 2019.
