*EAST SURRY HIGH SCHOOL
Student Parking Regulations*

All students at East Surry High School have the opportunity and privilege to ride the school buses of Surry County. Those choosing not to ride the school bus may have the opportunity and privilege to drive a private vehicle that has been *properly registered* to enter our campus. Please read the following contract and initial (use the blank space provided after each number) to indicate you have read each regulation.

This contract is an agreement between student drivers and ESHS.

1. Parking permits may be purchased for \$30.00.
2. Parking Permits are only valid for the student who purchases the permit.
3. This contract must be read, understood, and signed before attaining a parking permit.
4. All student cars must display a current parking permit on the rearview mirror.
5. Students will park only in an assigned parking space.
6. Park only in the marked parking spaces, do not double park or block school entrances or exits.
7. Students must leave the parking area immediately upon arrival in the morning and at the end of the school day.
8. Returning to the vehicle during the school day without written permission from a school administrator will result in loss of driving privileges.
9. Leaving campus after arrival without permission will result in loss of driving privileges.

10. Leaving or arriving on the school campus in a loud or reckless manner may result in a loss of driving privileges.
11. Students must have passed three (3) out of four (4) classes during the previous semester (to obtain a permit for the first semester of a new school year)
12. If a permit is lost or revoked (and later reinstated), another one must be purchased.
13. A car not displaying a parking permit and/or not parked in your designated space may be towed at the owner's expense and the student will not be permitted to drive a vehicle on campus for the rest of the semester.
14. If an emergency arises and you must drive a car that is not registered with ESHS, please see one of the administrators. This should prevent your car from being towed.
15. **SPEED LIMIT IN THE PARKING AREA IS 10 MPH.**
Driving more than 10 MPH on campus at any time (as perceived by any faculty member) will result in a loss of driving privileges.
16. Students driving or riding private vehicles will assume responsibility for arriving to school on time.
17. ESHS does not assume responsibility for any damage incurred to a car while parked on campus.
18. Students not adhering to parking regulations may be fined, have their parking privileges suspended, have their car towed at the owner's expense, or all the above by school administrators.
19. If a student has excessive tardies (12 or more) and/or absences (eight or more) per semester their parking permit can be revoked.
20. Per city and county ordinances, radio volume should be at the level that cannot be heard by those outside of the vehicle.
21. In consideration for my receiving a student parking permit, I consent to the search of any motor vehicle operated by me on school property by any school official whether conducted randomly or with reasonable suspicion or cause. I agree to unlock such motor vehicle upon request by any school official in order for a search to occur and to cooperate fully during the search. I understand and agree that this consent applies to any motor vehicle which I am authorized to operate on school property.
22. Parking permits may be suspended due to disciplinary actions and administration will determine the duration of the suspension. A student will lose his permit to drive a vehicle on campus for the remainder of the school year if found guilty of one of the following:
 1. Possessing alcoholic beverages, controlled substances, or dangerous weapons in the vehicle. The driver of the car is responsible for the behavior and actions of those students riding in their car.
 2. Refusing to follow the expressed direction of faculty and staff.
 3. Driving in a reckless manner that causes a safety concern.
 4. Failure to comply with school procedures, students may lose parking privileges and may be subject to disciplinary actions.
 5. Failure to return the Random Drug Testing authorization form.

I have read and understand the policies of driving a car on the campus of ESHS. I also understand that I must abide by the policies set by the Administration or lose my driving privilege.

We, the undersigned student and parent, have read and understand the Surry County Schools Drug Testing brochure. We give consent for the student to participate for the length of his/her school career and understand that participation includes random selection for urinalysis drug testing. If selected, the student agrees to provide a urine sample for testing. We authorize the program's Medical Review Officer (MRO) to relate results of the student's test to his/her parent(s) and the test administrator. As parent(s), we agree to participate with our child in obtaining appropriate assistance if he/she tests "positive." The MRO is authorized to release a student's decision about remaining a program participant to the student's principal (or designee) and test administrator. A student/parent may revoke this agreement at any time.
